## **Bengt Blomberg appointed new Managing Director of Aylesford Newsprint Ltd.**

Bengt Blomberg has been appointed new Managing Director of Aylesford Newsprint Ltd. Bengt is succeeding Alan McKendrick, who is retiring after having been at Aylesford Newsprint since 1995. Bengt Blomberg will take on his new position from 7 November 2008.

Bengt Blomberg has a Master of Science degree from the Royal Institute of Technology in Stockholm, Sweden. He has had various general management and marketing positions in the forest industry in Scandinavia and North America. He has also gained significant industrial experience from working in the stainless steel industry, latterly as Senior Vice President of Outokumpu Oy. Over the last two years Bengt Blomberg has been running his own consultancy company and has undertaken a number of international commissions.

Aylesford Newsprint Ltd. is located in Kent, United Kingdom. . The company produces premium newsprint paper from 100 % recovered paper. The production is 410 000 tonnes of newsprint per annum from two paper machines and the number of employees is 380. Aylesford Newsprint is jointly owned by SCA Forest Products and Mondi Group.
